

## Scott Collinson

### Director, Tenant Advisory Perth, Western Australia

#### Professional Experience

Scott is a shareholder and Director of LPC Cresa in our Perth office. He brings over 20 years corporate property experience in the Perth and London markets. His professional experience includes property management and asset management of a number of properties across Perth and London for both large institutional clients and smaller private landlords.

For the last four years, Scott has proactively assisted occupier clients with their commercial property needs. He focuses on developing and applying valuable leverage on behalf of his clients to achieve great outcomes.
