

Alea Gregg

Senior Advisor, Account Management
Phoenix

Professional Experience

Alea is an integral part of a Portfolio Account Team whose clientele include Fortune 100 & 500 companies. She specializes in transaction negotiations, coordination with local brokers on multi-market requirements, providing financial analysis to support real estate decisions, and client relationship management. While interfacing with the client on a daily basis, Alea ensures that the client's needs and objectives are being met by implementing a consistent process.
