

Jennifer Barili, MBA

**Vice President, Research
Phoenix**

Professional Experience

As Vice President at Cresa, Jennifer is part of a leading portfolio account team, who manage 9 portfolio clients totaling more than 60 million SF. She brings over 15 years of research and client management coordination, focusing on providing strategic and functional solutions to clients by utilizing various research tools and methodology. Jennifer gathers and interprets data used for the analysis of commercial real estate trends, industry specific outlooks and client research requirements.

Clients

Jennifer and her team's clientele are Fortune 100 & 500 companies with expansive global portfolio and local footprints to include 3M, Anixter, Genentech, Insight, Sub-Zero/Wolf and Fender, amongst others. Since forming in 2011, the team has completed more than 500 transactions valued at more than \$1.2 billion, and they have positioned themselves as one of the leading corporate occupier representation teams in the commercial real estate industry nationwide.

Education

Jennifer's academic credentials include a Bachelor of Arts degree in Sociology from the University of Colorado, where she graduated with distinction, in addition to an MBA from Webster University.
