

Clara Lydon

Regional Operations Director Phoenix

Professional Experience

20 years of experience and a proven track record of success in Operations and Sales Management. Prior to accepting this position, I served as Director of Operations for G4S Secure Solutions and held multiple positions at Iron Mountain including Director of Sales and Operations, Director of Client Development, Director of North American Operations, and Market Operations Manager. During my time with Iron Mountain I was able to train and receive my certification in Six Sigma. Organized and managed Lean Events and Six Sigma Projects resulting in additional to 4M in revenue to my service line P&L.
