

Meridith Snyder

Business Development Manager
Phoenix

Professional Experience

Meridith has spent more than 18 years in the commercial interiors industry. With experience spanning from working in construction to workplace strategy to managing global accounts, she brings a wealth of knowledge to our clients, our teams and our respected industry partners. Her focus on Cresa's Project Management team is to enhance our client outreach, enrich our existing customer base and lead in the growth of our Project Management services and team.

Education

2005 Graduate of University of North Texas

Personal Interests

Outside of the office, Moe loves to explore and spend time with her 4-year-old son, participate in multiple outdoor sports, and travel.
