

Missy Oliver

Marketing and Operations Manager Phoenix

Professional Experience

Missy, Marketing & Operations Manager with Cresa, serves as creative producer of marketing materials and client deliverables for the office, and provides broker support for the Phoenix office. She's responsible for producing market surveys, mass email design/scheduling, print design, customized maps and presentation content. Missy also oversees content and design of the Phoenix website, and the training of administrative staff in graphic design and production of standardized documents.

Education

Missy graduated from Southern Illinois University - Carbondale with a Bachelor of Science in Business Marketing.
