

JASON FRAY

Executive Managing Principal

Office, Industrial & Advisory

Jason Fray is a 25+ year veteran of the commercial real estate industry. He specializes in local and multi-market office and industrial occupiers across a range of industries, including financial services, legal, and manufacturing.

Jason's expertise in corporate advisory and tenant representation services for entities that lease or own real estate has enabled him to complete some of the largest headquarters deals in the state.

Over the course of his three decades of experience, he has represented numerous Fortune 500 companies along with hundreds of mid-size companies in the facilitation of their occupancy needs.

Jason, as an Executive Managing Principal, is part of a group that oversees the day-to-day operations to develop and grow the New Jersey office.
