

Jonathan Marks

Principal
Cresa New Jersey

Professional Experience

Jonathan has been an industry leading trusted advisor to medical groups, health systems and corporations for their real estate strategy and lease portfolios. Since 2015, Jonathan has been involved in the negotiation of more than 908,500 square feet of commercial real estate with transaction values of \$169 Million; including the largest office deal in Bergen County in 2017. As a result of Jonathan's real estate expertise and financial background, his clients have reduced their costs by millions of dollars, mitigated risk and optimized their portfolios.

Clients

- Englewood Health
