

Len Eagle

Senior Vice President, Project Management Cresa New Jersey

Professional Experience

Len has over twenty five years of experience in the real estate and construction world. Fourteen of those years have been spent within Cresa's Project Management department as integral member of the leadership team.

His extensive portfolio of successful projects includes everything from office interiors up to the complete build-out of a 32-story government building. Len's success may be attributed to his leadership skills and ability to strategically organize teams around a client's goals and objectives.
