

SHANE COPPEDGE

Vice President, Project Management

San Diego

Shane's fifteen years of commercial construction management is highlighted with budget development and execution on projects ranging from mega projects and sophisticated cleanrooms to quick office refreshes. He combines a decade of general contracting experience with his Master's in Real Estate Development to navigate the complexities of each project while understanding and achieving the best value for the client.

AFFILIATIONS

Shane is active on the Placemaking Committee at the Downtown San Diego Partnership and with NAIOP San Diego.

EDUCATION

Shane has a Master's in Real Estate Development from the University of Arizona and a Bachelor of Science degree from Arizona State University.
