

Glenn Friedrich

**Managing Principal
San Diego**

Professional Experience

As a Managing Principal, Glenn is well versed in tenant negotiation and understands the diverse needs of the companies he represents. With over 30 years of experience, he knows how to structure transactions to uniquely benefit each client and has handled lease or purchase requirements with total consideration in excess of \$1 billion. Glenn takes a single-minded approach to meeting client needs and strives to exceed expectations. A Carlsbad resident, Glenn enjoys golf, skiing, and family time.

“My company has worked with Glenn for over the past 8 years. He has gone out of his way to represent our interests in an aggressive and professional manner. As a defense contractor, we had several special real estate needs, which he grasped the complexities of and has done an outstanding job of translating them into cost-effective solutions for our business.”

Bruce Lumley, Corporate Real Estate Manager
BAE Systems
