

RYAN MITCHELL

Senior Vice President

San Diego

As a Senior Vice President in the San Diego office of Cresa, Ryan Mitchell specializes exclusively in occupier representation. Focusing on a variety of asset sectors and industry types, Ryan strategizes with corporate clients to develop and execute a sound real estate strategy, tailored to meet their business and operational objectives. With thorough market insight, comprehensive financial analytics, and strong negotiation skills — Ryan advises to optimize real estate negotiation on behalf of his clients.

Ryan assists and supports clients through transaction requirements, overseeing and facilitating new locations, lease renewals, the sublease of an existing space, a purchase of an existing building or land site, and the disposition of a building. Ryan strives to better understand a client's goals and real estate needs as it relates to location, operations, demographics, revenue, logistics, overall costs, and more.

AFFILIATIONS

Ryan is a founding member of Cresa's Life Sciences Practice Group, a licensed broker in the state of California and is active with BIOCOM, CLSA, Connect and various other industry groups. Ryan is also a recipient of the Cresa Rising Star award.

EDUCATION

Ryan received his Bachelor of Science degree in Business Administration from San Diego State University, where he actively mentors students and recently served on the Business Alumni Network Board.

"I appreciate that in our dealings Ryan always puts our needs first and works with us to get the property that truly best meets our needs, without regard for any financial considerations from his side."
