

Brooke Michael

Project Manager San Francisco

Professional Experience

Brooke has over 8 years of facilities and project management experience on commercial projects in the corporate office sector. Brooke has worked with clients in the Bay Area, throughout the United States, and internationally. As a project manager, Brooke has experience in each phase of the process from initial concept design, construction management, and client relocation. Her experience includes working in the high tech, energy, consulting, and financial industries.

With a focus on customer service and communication, Brooke strives to exceed expectations of her clients to ensure that projects are completed on-time, and more importantly, on budget. She works collaboratively with each stakeholder and provides insightful guidance throughout the process, so that each team is tracking towards implementing the desired goals.
