

Ann Marie Lopez

Senior Project Manager

Silicon Valley

Professional Experience

Ann Marie is Cresa's project management lead for the San Jose office. She develops, drives, and executes strategy, business development, and project execution leveraging +25 years' experience in the construction industry with backgrounds in the field of architectural design, general contracting, and project management. Having the opportunity to work in multiple facets of the construction industry, she holds a strong knowledge of the overall construction process. Skilled in managing multiple projects simultaneously, she is detail oriented, and solution driven. Ann Marie leads a project delivery process that collaboratively harnesses the talents and insights of all participants to optimize project results, increase value to the client, and maximize efficiency through all phases of design and construction.
