

## Doug Sugimoto

### Principal Silicon Valley

#### Professional Experience

Doug has spent his entire career in commercial real estate. With over 38 years of experience in both brokerage and in-house corporate real estate leadership roles (Intuit, Silicon Graphics, 3Com, Covad, Raza Foundries), Doug brings a diverse range of experience to aid his clients in solving their real estate challenges. As a strategic advisor Doug has focused on helping both large and start up clients with site selection, disposition and negotiation of complex transactions. Doug's goal is to help companies leverage their real estate decisions to enhance growth, flexibility and profitability.
