

Joanna Zhou

Vice President
Singapore

Professional Experience

Joanna is a Vice President for Cresa's Singapore office.

Through the years, she has served a wide range of corporate clientele with varying business requirements, establishing a proven track record and a professional reputation. She has experience dealing with Conventional Office Spaces, Serviced/Co-working Spaces, Shop Houses, Retail and F&B Spaces. Her clientele includes Government-linked companies (GLCs), Multinational companies (MNCs), Small Medium Enterprises (SMEs) from various industries and sectors.

She believes that a suitable office space is crucial to business operations and her main career objective is to use her experience to help businesses secure the best business space solutions.
