

Denver Seay

Senior Advisor, Project Management St. Louis

Professional Experience

Denver is Senior Advisor, Project Management for the St. Louis office of Cresa where he shares responsibilities for PM services focusing on the task of providing comprehensive advisory services on the design and construction of projects. He stays on the lookout for cost savings and addresses any budget issues while guarding the timeline of projects and coordinating all the parts and partners of a construction project. Prior to joining the St. Louis team, he worked in the healthcare industry as a Construction Project Engineer.
