

Andrew Chapman

Principal, Sales Representative
Toronto

Professional Experience

As a Principal at Cresa Toronto, Andrew demonstrates great proficiency and innovation in his approach to identifying client needs and implementing strategies that ensure his clients are receiving maximum value.

Andrew takes a consultative approach, where he is focused on providing objective real estate solutions that meet the distinct requirements of his clients. Through the formation of lasting long-term partnerships with his clients, Andrew brings a proactive, needs-based approach to managing corporate real estate, which ultimately mitigates risk, aligns his clients' business plans with their real estate objectives, and saves them time and money.
