

## Corinne Brady

### Senior Advisor, Project Management

#### Professional Experience

As a project manager, Corinne works alongside her clients to ensure their projects are delivered with favorable results. Through the project lifecycle, she sets the scope, budget, and timeline with the client, sets expectations early on, and addresses and manages risks along the way. Her superb organizational skills and effective communication prove essential in the project management process. Corinne has experience with lease reviews, space programming, scheduling, budgeting, writing RFPs, advising on vendor selection, construction management, move management, workplace strategy, and change management.
