## Cresa Selected

### Industry Briefs

SAN DIEGO -- Cresa San Diego has been selected by CoStar Group (Nasdaq: CSGP) as a 2012 Top Brokerage Firm.

The annual award recognizes the "best of the best" in commercial real estate brokerage by highlighting the U.S. firms which closed the highest transaction volumes in commercial property leases, or sales for the entire year of 2012 in their markets.

This is the fourth consecutive year that Cresa has been awarded after being evaluated against other San Diego commercial real estate brokerage firms.

All awards are based on transaction

data maintained in CoStar's commercial real estate database, which is the largest independently researched database of commercial real estate property information available online.

"It is a privilege to be included among the nation's top commercial real estate firms," said Glenn Friedrich, managing principal at Cresa San Diego. "It is the confidence our clients continue to show in us and the growth of our business through their recommendations that lead us forward."

Cresa is an international corporate real estate advisory firm that exclusively represents tenants and

specializes in the delivery of fully integrated real estate services.

With more than 58 offices, Cresa is the largest tenant representation firm in North America.

Through its partnership with Savills, one of the world's largest commercial real estate services firms, Cresa covers more than 173 locations in 40 countries.
