

Mark George

Senior Vice President Silicon Valley

Professional Experience

Mark represent companies in the San Francisco Bay Area, helping them find space to run their business more efficiently (Office, R&D, Manufacturing & Warehouse). Companies hire Mark to; (1) lower their occupancy costs, (2) find and negotiate great space, (3) renew existing leases to ensure landlords profit is minimized, (4) reduce rent prior to lease expirations via lease restructuring, (5) right-size space to create efficiencies.

During Mark's 18 year tenure in the commercial real estate industry, he has represented some of the largest corporations in the country as well as some of the most exciting Bay Area startups.
